

Herbal Formula Eases Farmers' Aches And Pains

"I read about Stuart's Pain Formula in FARM SHOW," says Rickey D. Snow, Hood, Calif. "I hurt my shoulder January 18th, 2013 and had constant pain thru the middle of March. My doctors could do nothing. Within 10 minutes of applying Pain Formula, the pain was completely gone. Gary Stuart deserves the Nobel Prize for Medicine."

Stuart Laboratories originally developed Stuart's Pain Formula for race horses. Over the years, it has gained a following for treating other animals and humans. The cream contains extract of the herbs comfrey and arnica in a liposome base that penetrates the skin rapidly, says Gary Stuart, who founded the company in 1982. "People now use the product to relieve joint and muscle pain associated with arthritis and injuries," he says.

Here's what other satisfied users have to say:

Jack Zimmerman, Elysian, Minn.: Jack is a disabled Afghanistan war veteran. He stepped on an IED in 2011 & lost both of his legs. He is confined to a wheel chair because of his injuries. "After I spend a day in my wheel chair I end up with a lot of back, neck, & shoulder pain. Within a half hour of applying Stuart's Pain Formula I am pain free. Prior to knowing about Stuart's I could not tolerate a whole day in my wheel chair."

Mike Kirik, Union City, Penn.: Mike was introduced to Stuart's Pain Formula upon discharge for open heart surgery by a staff person at the Pittsburgh, PA VA hospital. Mike was told to use the product on his chest for pain relief during the healing process. He was able to get relief from the post-surgical pain in his chest plus he now uses it on his arthritic knee.

Daniel Poray, Alexandria, Va.: "I was diagnosed with arthritis in my right leg and knee. I use Stuart's Pain Formula 2X/day and the pain has dramatically gone away

and my movement, flexibility and range of motion have increased. The doctor recommended a cortisone shot and I was skeptical. I found Stuart's and glad I did!"

John Peck, Moose Lake, Minn.: John uses Stuart's Pain Formula for foot pain associated with diabetic neuropathy. If he forgets to apply it at night the pain will normally keep him awake. Using it will give him relief so that he is able to sleep. He also uses it for knee pain.

Mike Marsden, Mabel, Minn.: "I keep a jar of Stuart's Pain Formula by my bed and reach for it at night when my knee pain flares up. It knocks the pain right out. I've been using Stuart's Pain Formula for about 4 years and constantly recommend it to other people."

Betty Brooks, Buhl, Idaho: "I put the Pain formula on my knees about 10:00 a.m. this morning, and it's now 9:00 p.m. and I'm still pain free. I've had knee surgery - and tried just about every product on the market - and this works. I've had a very good day! I could feel it working as soon as I put it on."

Barbara Burke, Crown Point, Ind.: "My husband was waking up 2 to 3 times a night with knee pain. On day 2 of using Stuart's Pain Formula he slept all night long."

Warren Ward, Pemberton, Minn.: He says his knees ached so terrible at night that he couldn't get to sleep without taking painkillers. "An orthopedic surgeon told me both my knees were shot. I had bone rubbing on bone and I needed knee-replacement surgery. Then someone told me about Stuart's Pain Formula. I started using it and, in three days, I had no pain in my knees. I went right to sleep at night, and I haven't taken a pain killer since. I like Stuart's product because there's no odor, it doesn't stain your clothes, and you don't feel a thing when you apply it. It's an excellent product and I know it works."

Thomas Lindberg, Two Harbors, Minn.: He says, "I have arthritis pain in my shoulders and back and was having trouble sleeping through the night because of the pain. I read about Stuart's in FARM SHOW and was a bit skeptical at first but thought I'd give it a try. I was absolutely amazed at how well it worked and now use it every day. It works better than anything on the market."

Tom Donelson, Fargo, N.Dak.: He has been using Stuart's Pain Formula for over 2 years. "I give samples to everyone I meet that complains of joint or muscle pain. I've had minor knee surgery and a torn meniscus, as well as a degenerating disc. I originally

used to take 2 to 3 ibuprofen a day. But now, after using Stuart's, I'm down to 2 to 3 a week. This product is great for anyone that doesn't want to or can't take drugs to manage pain. One woman I gave a sample to had jaundice in her liver from taking pain medication for arthritis. She's off medication and completely satisfied with this alternative. It's a wonderful product!"

Today, Stuart Laboratories manufactures and markets more than a dozen herbal and natural-oil healing and pain products for both human and animal use.
