## "Best Ideas" Born In Farm Workshops

Tractor Loader Mounted on Old Truck

"When the going gets tough, the tough get going."

They're turning to their farm workshops to create money-saving ideas every farmer — including YOU — can use to help survive these troubled economic times.

This issue's exciting parade of "made it myself" new ideas starts right here on the cover and continues on the next page. Good Reading!  
Harold Johnson, Publisher.
