

“Battery Maintenance In A Bottle”

Water-based patented Battery Equaliser has been proven globally for over 30 years, and it can up to double the life of any lead-acid battery by reversing the built-up sulphation that kills batteries as they get older.

As soon as electrolyte is added to a new battery, sulphation begins coating the lead plates. This causes internal resistance that lowers overall performance, and in a

few years, chokes out all electrical activity. Battery Equaliser mixes with battery's electrolyte, dissolving existing sulfation and preventing new deposits from forming. This also stops build up at the bottom of the battery. Treated batteries will charge faster and hold a charge longer. Ideal for farm equipment, trucks, lift trucks, golf carts, solar, RV's, all types of flooded batteries.

- Extends battery life
- Faster charge and runs longer
- Store your vehicles 3 times longer
- Ideal for solar storage batteries
- A 12 oz. bottle sell for \$19.95plus S&H (will treat 4 car batteries)
- Ideal for New and Existing lead acid batteries
- Larger sizes available for Farms, Industry & Fleets

Battery Equaliser is now available in many Ag retail locations. Battery Equaliser is made in the USA & Canada. Retail & Distributor opportunity inquiries are welcome.

“Up to 2 million batteries treated globally!”

Koehn's Livestock Products “Whip Flag” To Move Livestock

New Whip Flag is highly visible to livestock and lets you easily sort animals without handling them roughly.

The Whip Flag consists of a 12 by 13-in. fabric flag attached to either a 50 or 60-in. long, polypropylene-coated shaft.

Sells for \$13 ea. + S&H. Quantity pricing available.

Drive-Thru Electric Gate

The Koehn family began their ag equipment company over 50 years ago with this now-famous Drive-Thru Electric Gate.

You can simply drive through the spring-loaded gate from either direction with any vehicle without ever having to stop and open or close the gate. Uses any electric fence controller. One spring on each arm brings them back to position after you pass through.

Sells for \$169 for a 13 to 19-ft. adjustable gate or \$179 for an 18 to 24-ft. gate.

For a **FREE** catalog featuring these products and many more, call toll-free 800-658-3998 or contact: FARM SHOW Followup, Koehn Marketing, Inc., P.O. Box 577, Watertown, S. Dak. 57201 (ph 605 886-2120).
